On a perfect June day, Vivian Howe, author of thirteen beach novels and mother of three nearly grown children, is killed in a hit-and-run car accident while jogging near her home on Nantucket. She ascends to the Beyond where she's assigned to a Person named Martha, who allows Vivi to watch what happens below for one last summer. Vivi also is granted three “nudges” to change the outcome of events on earth, and with her daughter Willa on her third miscarriage, Carson partying until all hours, and Leo currently “off again” with his high-maintenance girlfriend, she’ll have to think carefully where to use them. From the Beyond, Vivi watches “The Chief” Ed Kapenash investigate her death, but her greatest worry is her final book, which contains a secret from her own youth that could be disastrous for her reputation. But when hidden truths come to light, Vivi’s family will have to sort out their past and present mistakes—with or without a nudge of help from above—while Vivi finally lets them grow without her. Golden Girl - The Autobiography of the Greatest Ever Ladies' Darts Player-Trina Gulliver 2008-01-07 Trina Gulliver is indisputably the finest ladies' darts player in the world. With an amazing seven consecutive Lakeside Ladies' World Championship titles under her belt, this inspirational woman can lay claim to being the most phenomenal player of all time. But it hasn't always been a victorious check-outs for this Warwickshire girl. Qualifying as a joiner at the age of nineteen, Trina soon set up her own business and had her first taste of making it in what has traditionally been a man's world. Her calm head, keen eye and steady hand proved to be useful skills in this trade - and would prove priceless when stepped up to the oche as a professional player. Always a lover of the game, Trina held her first 'arrow' at the age of two, and after some success later in the Warwickshire County side she went full-time as a professional player. Without any sponsorship in her first year, she struggled to make ends meet as she drove all over Europe to play. But her determination to get to the top saw her make it to number ten in the world, and she finally hit the bullseye in the form of a sponsor. Twelve months later she was number one - where she remains to this day. Fiercely passionate about her sport, Trina has long been an outspoken critic of the prize money in the women's game compared to the men's, and has done sterling work in helping to raise the profile of the ladies' game. Professional to the core, Trina works as hard as the top male players on her game, and is a role model to women in the sport. Golden Girl is the story of a woman whose talent, grit and determination saw her realise her dream. Heart-warming and inspirational, this book will appeal to darts lovers and anyone interested in a story of success against the odds.

My First Five Husbands...And the Ones Who Got Away-Rue McClanahan 2007-04-10 Rue McClanahan, best known for her portrayal of Blanche Devereaux on the Emmy-award winning series The Golden Girls reveals her life in and out of the spotlight in a laugh-out-loud funny memoir about love, marriage, men, and getting older that is every bit as colorful as the characters she played. Raised in small-town Oklahoma in a house “thirteen telephone poles past the standpipe north of town,” Rue developed her two great passions—theater and men—at an early age. She arrived in New York City in 1957 with two-weeks worth of money in her pocket, hustled her way into a class with the legendary Uta Hagen, and began working her way up in the acting world against the vibrant, free-spirited backdrop of the sixties. That’s when she met and married Husband #1—a handsome rogue of an aspiring actor who quickly left her with a young son. Still, she was determined to make it on the stage and screen—and in the years that followed, rose to the top of the entertainment world with a host of adventures (and husbands) along the way. From her roles on Broadway opposite Dustin Hoffman and Brad Davis, to her first television appearances on Maude and All in the Family, to the Golden Girls era and beyond, My First Five Husbands is the irresistible story of one woman’s quest to find herself. Rue is proof that many things can and do get better with age—and that, if she keeps her wits about her, even a small-town girl can make it big. People always ask me if I'm like Blanche. And I say, 'Well, Blanche was an oversexed, self-involved, man-crazy, vain Southern Belle from Atlanta—and I'm not from Atlanta!’” —Rue McClanahan
