**Jade City**-Fonda Lee 2017-11-07 In this World Fantasy Award-winning novel of magic and kungfu, four siblings battle rival clans for honor and power in an Asia-inspired fantasy metropolis. \*Named one of TIME's Top 100 Fantasy Books Of All Time \* World Fantasy Award for Best Novel, winner Jade is the lifeblood of the island of Kekon. It has been mined, traded, stolen, and killed for -- and for centuries, honorable Green Bone warriors like the Kaul family have used it to enhance their magical abilities and defend the island from foreign invasion. Now, the war is over and a new generation of Kauls vies for control of Kekon's bustling capital city. They care about nothing but protecting their own, cornering the jade market, and defending the districts under their protection. Ancient tradition has little place in this rapidly changing nation. When a powerful new drug emerges that lets anyone -- even foreigners -- wield jade, the simmering tension between the Kauls and the rival Ayt family erupts into open violence. **Reservoir 13**-Jon McGregor 2017-04-01 From the award-winning author of If Nobody Speaks of Remarkable Things and Even the Dogs. Reservoir 13 tells the story of many lives haunted by one family's loss. A GUARDIAN NOTABLE BOOK OF 2017 Midwinter in the early years of this century. A teenage girl on holiday has gone missing in the hills at the heart of England. The villagers are called up to join the search, fanning out across the moors as the police set up roadblocks and a crowd of

news reporters descends on their usually quiet home. Meanwhile, there is work that must still be done: cows milked, fences repaired, stone cut, pints poured, beds made, sermons written, a pantomime rehearsed. The search for the missing girl goes on, but so does everyday life. As it must. As the seasons unfold there are those who leave the village and those who are pulled back; those who come together or break apart. There are births and deaths; secrets kept and exposed; livelihoods made and lost; small kindnesses and unanticipated betrayals. Bats hang in the eaves of the church and herons stand sentry in the river; fieldfares flock in the hawthorn trees and badgers and foxes prowl deep in the woods - mating and fighting, hunting and dying. An extraordinary novel of cumulative power and grace, Reservoir 13 explores the rhythms of the natural world and the repeated human gift for violence, unfolding over thirteen years as the aftershocks of a stranger's tragedy refuse to subside.

The pair try to overcome their pasts and ensure their futures by engaging in capitalism in one of its purest forms: drug dealing. Traumatized by his reeducation at the hands of his former best friend, Man, and struggling to assimilate into French culture, the Sympathizer finds Paris both seductive and disturbing. As he falls in with a group of left-wing intellectuals whom he meets at dinner parties given by his French Vietnamese “aunt,” he finds stimulation for his mind but also customers for his narcotic merchandise. But the new life he is making has perils he has not foreseen, whether the self-torture of addiction, the authoritarianism of a state locked in a colonial mindset, or the seeming paradox of how to reunite his two closest friends whose worldviews put them in absolute opposition. The Sympathizer will need all his wits, resourcefulness, and moral flexibility if he is to prevail. Both literary thriller and novel of ideas, The Committed is a blistering portrayal of commitment and betrayal that will cement Viet Thanh Nguyen’s position in the firmament of American letters.
